SUBJECT: Information Meeting for Commercial Shippers regarding the Closure of Wilson Lock, Tennessee River Mile 259.4

The Nashville District will be holding a informational meeting regarding the closure of Wilson Lock in Florence, Alabama. The meeting is scheduled to be held at 10 AM on Tuesday, 8 August 2006 at the Marriot Convention Center, located at 10 Hightower Place. In addition to a brief review of the recent incident at Wilson Lock, the anticipated repairs necessary to return the lock to operational status and interim operational procedures for the Auxiliary Lock will be discussed.

The focus of this meeting is to provide necessary information to commercial shippers and port operators only. All those interested in attending this meeting should contact Ray Bess either by responding to this email or by telephone at 615-736-7799. Because of the high volume of calls since the incident last week, we request that you do not try to contact Wilson Lock directly.
